3 Ways to Apply!

1

DIRECTIONS: MOP

At the end of the day, Prepare a mop bucket with water and floor cleaner. Drop in ONE Actizyme Tablet. Mop floor normally, focusing on cracks, crevices, and spaces under equipment. When completed, pour the mop water down the floor drains.

2

DIRECTIONS: HOSE SPRAYER

After final cleaning, apply one Actizyme Tablet into the chemical feed container. Fill with water. Lightly spray the entire floor area, focusing on cracks, crevices and spaces under equipment. Squeegee excess water into floor drains or allow to dry.

3

DIRECTIONS: PRESSURE SPRAYER

Once per day, fill sprayer with water and add one Actizyme Tablet. Add pressure and spray a fine mist on the surface areas. The fine mist allows even distribution. Spray once per day, or multiple times if needed.

DIRECTIONS: DRAINS

Spray all floor drains, sinks, toilet drains and other areas.

DIRECTIONS: SODA MACHINES

Spray soda drains and areas under and behind the soda machine.

DIRECTIONS: BAR AREA

Spray bar drains, cracks, crevices and behind equipment area.

DIRECTIONS: RESTROOMS

Spray floors, drains, walls, urinals and sinks.

DIRECTIONS: TRASH ROOMS

Spray a fine mist on trash cans, walls, floors and drains.

DIRECTIONS: DUMPSTERS

Spray a fine mist directly on trash in dumpster and spray any leaking liquid areas.

For best results use one Orkin Actizyme tablet per day in the mop bucket, and one Orkin Actizyme tablet per day in the sprayer!

CAUTION: Keep this and all chemicals out of reach of children. Eye Irritant: in case of eye contact, flush eyes with water for 15 minutes. Not intended for ingestion – do not eat.

ADVERTENCIA: Mantenga este y todos químicos fuera del alcance de niños. Irritante al Ojo: En caso de contacto con el ojo, lave ojo con agua por 15 minutos. No intencionado para ingestión, no comer.

Contents: 30 tablets
